The longer side of the image should be a minimum of 800 pixels in length, with the shorter side proportional. The resolution should be no less than 72 dpi, and a greater resolution will yield a better image online. Please: No visible signature or name on the image. One entry is accepted per artist. A list of artists whose entries are juried into the show will be published online in the "What's New" page of the ISAP website; online presentation of the show will be made on the date of opening; winners will be officially notified by the Director of Shows, Barbara Leites.

Note: Entries must have been produced within the past three years, and entries must be works which have not been presented previously in an ISAP show or exhibition.
